Luke: Give Me Jesus

Luke 2:41-52

Tell about a time in your life when you "found" Jesus; when was God nearest to you, what was surrounding that/those moments?

Take a moment to read and examine our New Testament reading for this Sunday: **Philippians 3:1-11**.

Take us to the verses that reveal what Paul considered to be the "most important" thing in his life?

What does Paul mean by using the repeated verb "knowing" Christ? In what way does he want YOU to "know" Christ?

How would you answer these questions?

(1) - Is Jesus where he should be in your life?

(2) - Are you where you should be?
