## Gemstone: Love

1 Corinthians 13:1-7 / Luke 10:25-37

### Observations:

The depth of your love is found in...

1. *Patient & Kind*  
...the degree of unworthiness
2. *NOT envious, boasting, proud, rude, or self-seeking*  
...the greatness of the price
3. *Not easily angered, and keeps no record of wrongs*  
...greatness of the result
4. *Not delighting in evil, but rejoicing in the truth*  
...conforming to what is right
5. *ALWAYS protects, trusts, hopes, perseveres*  
...gauged by motivation

### Conclusion:

2. Love is seen in \_\_\_\_\_
3. Love is the currency of \_\_\_\_\_

### Application:

- How are you at loving the unlovely?
- What does your effort to love cost you?
- How true is your love? Superficial or "no record of wrong?"
- Does your love stand on truth or preference?
- Are you motivated by love, or obligation?
- Have you experienced God's love?
