Tested in a Desert

Hebrews 3:7-14

Observations:

1. Faith is the oasis in the desert of sin for turning towards God
2. Encouragement is the oasis in the desert of deceit for a tender heart
3. Perseverance is the oasis in the desert of doubt for assurance
4. A Receptive Heart is the oasis in the desert of rebellion for direction

Application:

As you're waiting in this desert...

are you walking by faith or fear?

are you encouraging one another daily?

are you persevering or giving up?

are you listening for God with receptive heart while you wait?
