The Therapy of Communal Soul Care

1 Thessalonians 5:4-15

Foundations:

The Foundations of Secular Psychology vs Biblical Counseling

1. _____ - Observation vs Revelation
2. _____ - The heart is right vs The heart is broken
3. _____ - Self vs Jesus
4. _____ - Codependency vs Interdependency

Observations & Conclusions: *Principles of Communal Soul Care*

1. _____ - Authentic change only comes through Jesus Christ
2. _____ - Our witness as Christians requires a mutual investment that is modeled after Jesus
3. _____ - The church holds a reciprocal expectation to help each other progress in the faith
4. _____ - God made the church as an agent of healing for the soul
5. _____ - We all gain when we give beyond what we have received from sinners, because Jesus has first given charitably to us

Application:

1. The way I serve the Lord at Grace is by _____
2. These are the people in the church who know me, who will rebuke me, who are for me, and who I can be honest with _____

3. These are the people who I am helping to carry their bucket _____
