## Mission - Baptizing...

Matthew 28:19d

### Observations:

- Jesus isn't giving a formula for a ritual - He is giving the \_\_\_\_\_  
"means" for making disciples

- \_\_\_\_\_ (right belief) and \_\_\_\_\_ (right behavior) are  
the responsibility of the \_\_\_\_\_

1. The \_\_\_\_\_ is essential for making disciples

2. \_\_\_\_\_ leads to \_\_\_\_\_

**Conclusions:** *The church is God's vessel for making disciples, thus...*

1. \_\_\_\_\_ is the lasting sign of initiation for disciples

- into the visible local church family & the universal church family

2. \_\_\_\_\_ in the Triune God must by necessity define the church

3. Therefore, we must take seriously our \_\_\_\_\_ in baptism and  
our \_\_\_\_\_ as Trinitarian

**Application:** *For you and I to take God's church seriously...*

1. You must \_\_\_\_\_ in God the Father and the  
Son and the Holy Spirit

2. \_\_\_\_\_ your soul with this God - *How immersed are you?*

3. Demonstrate your "baptism" as a \_\_\_\_\_ member of  
the church: the body of Christ
