

Sermon Notes: October 1st 2023

## Fear & Suffering

Hebrews 2:14-15

**Preliminaries:** God holds the power of \_\_\_\_\_ and \_\_\_\_\_,  
and life and death after \_\_\_\_\_ - not the \_\_\_\_\_

### Observations:

1. Jesus' \_\_\_\_\_ is the requirement for His interceding atonement and our hope
2. \_\_\_\_\_ is satan's aim and attraction
3. This world is satan's claim - but it was given to \_\_\_\_\_, not satan

### Conclusions:

1. Jesus' death and resurrection has destroyed the devil's \_\_\_\_\_
2. Jesus understands \_\_\_\_\_
3. The devil's power isn't death, but enslavement through \_\_\_\_\_

### Counterattack: for fear and suffering

1. Fix your mind on \_\_\_\_\_  
- *What fears are seeking to enslave you?*
2. \_\_\_\_\_ to the one who suffered for you  
- *How are you handling and processing your suffering?*
3. As a sojourner, set your \_\_\_\_\_ beyond this world  
- *Where you have placed your hope is where satan will attack*
