

Sermon Notes: February 1st 2026

Biblical Justice & Justification

Romans 5:6-11

Preliminaries:

Definition: Justification is the condition of being _____

1. The "righteousness of God" is experienced by _____
2. This declaration makes you _____ in your relationship with God

Observations:

1. The work is monergistically _____
2. The cross is redemptively _____
3. The effect is relationally _____
4. The result is continually _____

Conclusions:

1. Before we advance Biblical Justice as missionaries we need _____ by _____
 - A. Biblical Justice _____ and _____ sinners at the cross of Jesus Christ
 - B. Biblical Justice requires the _____ of Jesus to be present for salvation
2. Justification by faith is the precondition that makes Biblical Justice by _____ possible

Application:

1. _____ in Jesus' death by faith for your justification
2. _____ your justification through the missional work of reconciliation as restorative justice
