

Sermon Notes: November 22nd 2026

Majesty - Archaeology

2 Peter 2:1-12

Definition:

Archaeology: The study of human history through the uncovering, recovering, and testing of physical _____

Observations:

1. False teaching is a _____ to all believers

2. Peter uses _____ _____ to show how God fulfills His promises

Conclusions:

1. Archaeology matters because _____ matter

2. God invites us to _____ things that pertain to our faith

3. Believing falsehoods can lead to _____

Application:

1. Test your _____ against God's Word to determine if they are from God

2. Test all _____ evidence for God against His own revelation

3. Uncover the primary _____ for your faith in Scripture
